

MANAGER MUSINGS

By Lee Morris, Park Manager

I am just closing out my first four weeks here at Tri-Par, and I am very humbled by the warmth and the welcoming nature of so many residents in the Park. If we haven't yet had the chance to meet, stop in the office and say "hello" or meet me at the coffee on Saturday, December 7.

I urge all the "snowbirds" to walk out to the street when they have time, turn around, and take a look with fresh eyes at your property. Check for maintenance/upkeep items that may need attention from the months you were away. Note the article later in this newsletter on using volunteers from the local high schools to help with the heavy lifting!

We are making plans to move forward on a Tiki Hut/Pavilion type of structure at the pool to replace the aging wood structure that is presently in place. We will be going through the selection process in a January workshop so that we can get input from you (our residents) on which design you think better suits Tri-Par.

Our annual budget preparation for the 2021 Fiscal Year starts soon (our budget year runs from October 1 to September 30), so the trustees and staff will be hard at work "crunching" numbers.

Make sure you watch out for snowplows and shovel your driveway. Oh, wait – we don't have to worry about that problem here, do we? Paradise!

CHRISTMAS NEWS

By Birdie Bollenbacher

First, I want to thank all volunteers who stepped in to help with the Thanksgiving dinner. I could not do it without you!

This year nine members of my family will be visiting from Missouri and Wyoming at Christmas. I am so excited to enjoy the fun of a traditional family Christmas at my own home!

On the other hand, part of me will miss being with you, my Tri-Par family. Have a great time of food and fellowship at the Tri-Par Christmas Dinner.

Merry Christmas to all! May you remember the reason for the season.

Tree Decorating – November 30, 2019

Christmas Tree Lighting – December 1, 2019

See you at the Christmas Tree lighting on Sunday, December 1, 2019. Lee Hexion and the choir from Colonial Oaks Baptist Church will be here to lead us in some Christmas Carols. We'll usher in the holidays with cookies and hot chocolate!

Christmas Tea – December 3, 2019

The annual ladies' tea kicks off Tuesday, December 3, 2019, at 1:00 p.m. See Gloria Miller to pick up a Christmas stocking to fill and bring with you to the tea, and don't forget your special dish to share at tea time.

Coffee and Christmas Parade – December 7, 2019

Come one, come all! Join in the Tri-Par Christmas Parade. You may walk, ride a bike or cycle, or drive a golf cart. Be sure to decorate whatever you choose (including yourself)! Meet at the Desert Inn at 8:15 a.m. We will end at the clubhouse for Coffee.

MEET THE LAMORES

By Vicki Cooper

George and Dianne Lamore had a time share and traveled to the island of St. Marten for ten years.

The year they came to Sarasota (2009), they came to visit a Massachusetts neighbor by the name of Perreault, who lives on Brook Field Terrace. The Lamores fell in love with the Tri-Par amenities and ended up buying a home on Brook Field Terrace. Now their home is on Innisbrook Lane, and they have not been back to St. Marten since!

Both George and Dianne grew up in Baldwinville, Massachusetts, where they also graduated from high school. Dianne was chasing after George and he did not have her in his vision, so he ignored her. After graduation George became interested in Dianne, but she was no longer looking at him. George joined the army with his brother and George spent a year in Viet Nam. After some correspondence, Dianne was told by her father to go greet George when he was to arrive home because George was a "good" catch. Dianne did as she was told, and she and George have been married for 50 years. They have two children, a boy and a girl, four grandchildren, and one great granddaughter.

George spent his working years as an owner and operator of a transit company. For 40 years he was a plumber/heating contractor. He was a mechanical superintendent and a project manager. He watches Game of Thrones and likes all action movies and oldies music. His hobby is woodworking.

Dianne worked as a bus driver, driving for George's company, and had experience as a waitress. Her hobby is sewing, and she has sewn with both the Tri-Par quilt club, where she designed the Tri-Par quilt label, and Keeping you in Stitches. She likes thriller movies and rock-n-roll.

The real story of the Lamores is their volunteer work. Where George is, there is Dianne and where Dianne is, there is George. They work together and support each other in all their activities. They took Tri-Par residents to church every Sunday and now they go and visit them in an assisted living facility.

Back in Baldwinville, George was a volunteer on the fire department for over 20 years. He can talk about starting the Baldwinville rescue squad, taking EMT classes, and shopping for the original Baldwinville ambulance. Of course, Dianne was right there with the volunteer department, in the ladies' auxiliary, cooking meals and making sure the firefighters were taken care of.

Here in Sarasota, the Lamores work the Baltimore Orioles spring training games as a fundraiser for the Knights of Columbus, associated with their church, Lady Queen Martyrs.

At Tri-Par the Lamores cook for the Fun and Sports club, pancake breakfasts, patio parties, and dinners with Birdie. They volunteer for the drama club and buy donuts for the Saturday morning coffees.

In order to set up this interview, it was a Patio Party through Fun & Sports, as well as a Baltimore Oriole baseball game. How did George decide which one to work? He replied this Patio Party took priority. Who took his place at the stadium? George replied, "Five guys." Hahaha

Everyone at the table laughed, but Tri-Par beware because it will take more than five guys to do the volunteer work of George and Dianne Lamore!

1 CORINTHIANS 13—CHRISTMAS VERSION

If I decorate my house perfectly with plaid bows, strands of twinkling lights, and shiny balls; but do not have love, I'm just another decorator.

If I slave away in the kitchen, baking dozens of Christmas cookies, preparing gourmet meals, and arranging a beautifully adorned table at mealtime; but do not have love, I'm just another cook.

If I work at a soup kitchen, carol in the nursing home, and give all that I have to charity; but do not have love, it profits me nothing.

If I trim the spruce with shimmering angels, and crocheted snowflakes, attend a myriad of holiday parties, and sing in the choir's cantata; but do not focus on Christ, I have missed the point.

Love stops the cooking to hug the child. Love sets aside the decorating to kiss the spouse. Love is kind, though harried and tired. Love does not envy another's home that has coordinated Christmas china and table linens.

Christmas is all about love and is about doing what is right and moral. Jesus said in John 3:16, *"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."* 1 Corinthians 13:6-7 says, *"Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres."*

Christmas isn't just about showing love for those you care for, but for those who are undeserving and those you do not even know. Jesus said in John 13:34, *"A new command I give you: Love one another. As I have loved you, so you must love one another."* Just as God came to die for those who were undeserving and those who He did not know in a spiritual relationship.

Our Savior has come to show us how to love and to give us the greatest gift of love. 1 Corinthians 13:13 says, *"And now these three remain: faith, hope and love. But the greatest of these is love."*

Instead of buying fancy toys or elaborate gifts, think of how you can give to those who would normally go without. Ask yourself how you can help others who are not as fortunate as you. Show them the true meaning of Christmas, the gift of God's love, and love others as God first loved you.

TRI-PAR BLOOD DRIVE

On Tuesday, November 5, 2019, Tri-Par sponsored the SunCoast Blood Bank. We want to thank the seven individuals who donated blood to help

those who need it in our community. We will offer another opportunity to be a hometown hero on Saturday, January 11, 2020, at the upcoming Tri-Par Health Fair.

HELP AROUND THE HOUSE

In recent years, high schools have required students to perform a certain number of hours of community service before they graduate. In most cases, they need between 25 and 50 hours. It is often hard for students to find places they can earn these credits.

We know you have always been very independent and done things for yourself, but there are just some chores around the house you can no longer handle. Many of you are returning to flower beds that need weeding, shrubs that need trimming, windows that could use washing, and probably a hundred other things you'd like to do if you could.

So, we have students who need places to serve, and we have seniors who have chores they need done. Why not put the two together and give both what they need?

We have contacted the following local high schools, and they have confirmed that their students are looking for places to serve. Just call the school contact, and they will put you together with a student (or two or three) to help you out!

TECH TIPS

Today we'd like to introduce you to two super easy tools we have designed to make communication between residents and the office more efficient.

This summer emphasized how important it is for the office to know how to reach you. We did not have away addresses for many residents, and we had very few email addresses. We have attempted to stop each one of you as you checked in at the office to confirm we have your information correct. If we haven't done so or if you will not be returning to Tri-Par this season, you can use these new tools to help us build a complete and accurate contact database.

The Check-In and Check-Out Tool

Please let us know when you leave Tri-Par, even for a short vacation. If anything were to happen at your home, it would be important to know you were away.

- Click on "Service Provider Ad Request."
- Complete the form.
- We will check periodically to see if you are still offering these services.

Download Forms at Home

No time (or desire) to go to the office to pick up a form? There's now a button on the home page where you will find links to frequently used forms, like the new owner package, new renter package, building permit package, etc.

- Click the "Download" button in the box you need
- Open the downloaded file
- Select "Print"
- Fill in the required information
- Sign the form
- Fax, scan, or walk the form back to the office.

No Computer?

That's okay. We love to see you when you come to the office. A phone call is fine, too. Just use these "old-fashioned" methods to keep us up to date.

FURRY FRIENDS

Hello, fellow pet lovers. We are going to start a monthly section for the pet owners of Tri-Par with tips and tricks to make life with Rover easier!

For those of you who walk your dog through Tri-Par, we would like to remind you to clean up after your pets. This includes keeping pets out of homeowner yards as you stroll, and especially the Memorial Garden by the clubhouse.

Please be a good "doggie" neighbor and resident of Tri-Par!

Pet Alert

It could be critical for first responders to know there is a pet inside a home when they arrive. Think of it like a "Baby on Board" sign in a car window. A "Pet Alert" sign in the window of your home alerts everyone that a furry loved one is inside in case of emergency.

Pet Alert window decals are available for free at the Tri-Par office. Facing your house from the street, the decal should be placed in the first window to the left on the side facing the street. If you do not have one of these window decals, please pick one up in the office. It could save your pet's life.

"Best of Show"

We know every pet in the park is the "best of show" winner to its owner. For that reason, we have decided to begin a "Best of Show" feature every month. Following are the procedures we will follow:

1. Pet owners must provide a clear recent photo of their furry friend, preferably by email from your camera, but we can scan a good quality photo as well. (A third option is to bring your pet to the office and allow Wendy to take a photo for you. Please make arrangements by phone for a time convenient with Wendy.)
2. Pet owners must provide Name, Age, and Breed of their pet with the photo.
3. Tri-Par will mark the date and time received on your pet's photo.

So, if you would like to feature your pet, get those cameras flashing. We can't wait to "meet" your furry friends!

IT'S VITAL TO RECYCLE

Single Stream Recycling – What You Need to Know

Sometime between November 1 and December 20, all residents will be receiving a new Recycling Container.

- DO NOT USE this new container until THE FIRST PICKUP IN JANUARY 2020. Put it out of sight and continue to use the current recycle containers until then.
- These containers will require special trucks which pick them up and dump them. The trucks will not be delivered until the first of the year.
- **If you will not be home** when the new carts are delivered, please ask a neighbor to pull it into your storage space for you.
- **Do Not Overload**. The lid must close completely.
- **Where to put the cart**. Leave 3 feet on all sides for the arms of the truck to reach around the container and lift it up. Position it so the opening of the lid is facing the street.
- **Time**. Do not put your cart out before 5 pm the day before collection, but it should be curbside by 6 am

on collection day. Return cart to your storage spot by 10 am the next day.

Overflow. You cannot place overflow beside the cart. Because pickup is by machine, everything must be inside the cart. Hold the overflow for the next pickup day or see if your neighbor might have room for a little extra.

- **One-Time Pickup for Moving Boxes**. This service is still available. Call 941-493-4100 to schedule pickup.
- **Keep Your Cart Clean**.
- **"OOPS" Card**. If your cart contains nonrecyclable material, it may be tagged and not emptied. It is a courtesy telling you why the cart was not emptied. Please correct before next pickup.
- **I'm moving. What do I do with the cart?** It is the property of the home, not the homeowner. Leave it for the next occupant.
- **What Can I Recycle?** See the pictograph with this article or the label on the top of the recycle container.

What Cannot Go in the Recycle Cart:

- Items in plastic bags.
- Food waste.
- Hazardous waste.
- Yard waste.
- Non-recyclable materials.

AMENDMENT 23 – FINAL TALLY

By Lee Morris, Park Manager

The vote on Amendment 23 (Limitation on the number of properties subject to common ownership or control) was finalized on October 15, 2019. The final vote tally was as follows:

Yes: 589

No: 36

The "Yes" votes have it! Thanks to all who voted.

WHISPERS FROM THE LIBRARY

A committee has been formed to update and improve the Tri-Par Estates library. The committee consists of nine volunteers who have been working hard to repair the shelving bases that were damaged by water years ago. We wish to thank George Lamore and Angelo Sammarco for doing the repairs.

The committee has also been placing the books in order by category and author. We are placing a label on each book so that the book will be placed in the correct location when it is returned. We believe this will make the library easier to use.

We are also considering additional improvements and funding to improve the appearance of our book displays.

If you have questions about the library, please contact **Mike Neff** at either of these numbers: **Home: 941-554-8656** or **Cell: 574-457-6457**. Thank you!

EAT WELL; BE HEALTHY

By Debbie Yates, RD

Healthy Appetizers for the Holidays

It is hard to eat just one appetizer. If you are like most people one appetizer quickly leads to two, three then four; and before you know it, you've filled up on little foods loaded with fat and calories. These recipes have less fat and calories than the originals and still taste great. Enjoy.

Fruit and Pastrami Roll-Ups

- 1 cantaloupe or honeydew melon
- 18 thin sliced Turkey Pastrami (9 oz.)
- 6 lengthwise pineapple slices 1" wide.

Cut the cantaloupe in half lengthwise, remove the seeds, and slice into 12 wedges. Remove the rind from the wedges. Cut the pastrami into pies that will just wrap around each piece of melon and pineapple. Wrap the fruit and slice into bite size pieces. Secure the pastrami to the fruit with food picks.

Prep time: 10 minutes.

Calories per serving: 58

Mini Frittatas with Ham and cheese

- Cooking Spray
- ½ cup finely chopped onion
- 2/3 cup chopped reduced fat ham (2oz)
- 1/3 cup (about 1 ½ oz.) shredded low fat extra sharp cheddar cheese
- 2 TBS chopped fresh chives
- 1/8 teaspoon dried thyme
- 1/8 teaspoon black pepper
- 4 large egg whites
- 1 large egg

Preheat oven to 350. Heat large nonstick skillet coated with cooking spray over medium high heat. Add onion; sauté 2 minutes or until tender crisp. Add ham; sauté 3 minutes. Remove from heat, cool 5 minutes. Combine cheese and remaining 5 ingredients in a large bowl, stir with a whisk. Add ham mixture and stir. Spoon ham mixture into 24 mini muffin cups coated with cooking spray. Bake at 350 degrees for 20 minutes or until set.

8 servings (3 frittatas)

Savory Three Cheese Ball

- ¼ cup soft style light cream cheese
- 2 TBS fat free ricotta cheese
- 1 TBS finely snipped fresh chives
- 1 TBS chopped bottled roasted red peppers
- 1 teaspoon Worcester sauce
- 1 1/2 TBS poppy seeds

In a medium bowl, stir together the cheddar cheese, cream cheese and ricotta cheese until well combined. Stir in chives, peppers and Worcestershire sauce. Cover and chill in refrigerator for 4 to 24 hours. Just before serving, shape the cheese mixture into a ball. Roll the ball in the poppy seeds. Let stand at room temperature for 15 minutes.

Makes twelve 1 ½ cup servings.

Enjoy your time with friends and family. Take a walk daily before and or after meals. It will help you burn more calories and have more energy. We would love to have you join us Monday through Friday at 8:30 am for Walk Away the Pounds.

Have a healthy and happy holiday season! For more information feel free to call Debbie Yates at 941-932-2743.

DOWN ON THE CORNER

By Lee Morris, Park Manager

Many of you have been wondering what is being developed next to the Desoto Entrance to Tri-Par Estates. According to the construction company supervisor, they are building a high-end car storage facility that is all under the roof of a large building.

The entrance and exit will be at the rear of their property near the vacant corner Mobile Home lot as you enter Tri-Par. This will require construction of a driveway through the county-owned Tri-Par landscaped island.

Once construction is completed, the construction company is required to landscape all the way around the building with various kinds of trees, shrubs, and bushes (and fix the island as well).

The finished product (at least the drawings of it) appear to improve the look of the vacant lot that has been there for such a long time. According to their construction supervisor, they should break ground within the next 4-6 weeks.

FLEA MARKET

By Darlene Thompson

Flea Market time is quickly approaching, and we are starting to prepare for March 2020! We had a great response over the summer with donations; in fact, so much that the sheds are already full! Arlene and Mickey Lickfeld will be working on sorting through all the small item donations in November to clear room for more.

The small donation shed (Maintenance area) will be open the first two weeks of December on Tuesday and Friday from 9 to 11 am for anyone who has small items to donate. They are then going home for the Holidays to return in January. Please make sure your donations are in saleable form. No nonworking, broken, torn, stained, or unclean items will be accepted for sale.

When the "Tri-Par Pickers" return to start the truck pickups, they need a few days to process all the aluminum Butch picked up over the summer and stack all the furniture he has already collected. Once we have room for more large items, we will be able to begin our normal pickup service.

We plan to begin pickups at the first of the new year and maybe even in December, if possible (watch the TV for updates in December on pickup delivery start date). We have a new sign for the truck this year, so we shouldn't have any issues knowing which truck is for the Tri Par donations...can't wait to see the crew driving around!

Keep in mind that we are unable to accept sleeper sofas, large old TV stands, large appliances, mattresses, toilets, mirrors, old style TV's, computers, printers and excessively heavy items. The "Pickers" will assess if an item is acceptable for donation upon pickup. They will follow guidelines set by a experienced team with many years of experience working with the Flea Market.

A big thanks to Butch Ferreira for bringing in scrap sales for a total of \$277.25 over those hot summer months and collecting all that aluminum to process for metal as well. Not only that, but he filled the sheds with all kinds of donations.

Looking forward to working with everyone again this year for the benefit of the park and our folks!

The new season has started, and we are again asking for ideas for the March show. We would also love new members! For questions or suggestions, call Bob Chvojka at 941-359-1080.

By Howard Bernard

The Club's first dinner of the new season for us snowbirds saw 51 attendees enjoy our usual fantastic dinner. Our thanks, as usual goes out to our cooks who never let us down.

President Burmaster, while short of some of his executives, conducted an abbreviated meeting that contained the news that our long-time Hostess Coordinator, Marilyn Lewis was stepping down. This news, while not good, should be a reminder to all of us of the importance of becoming involved in a meaningful way if we are to survive as a club. The good news is that Donna Mansfield has volunteered to take over the duties of Hostess Coordinator.

Round tables or long tables was the subject that drew the most discussion. The club's executive will be discussing this item further prior to the December dinner/meeting which will, however, see the round table being used.

Canada's attendance was under-represented by better than 2 to 1. Is it possible that the park's Canadian visitors skip the dinners because they are all on diets?

December's entertainment is the Osolo Players. If you haven't seen them, you're missing some of the best entertainment possible.

POOLSIDE ENTERTAINMENT

Another year is coming to a close, and we will be celebrating the coming-in of 2020 with our annual New Year's Eve Dance on Tuesday, December 31, 2019, from 8:00 p.m. until midnight.

Homeowners face penalties for hiring unlicensed contractors!! According to Florida Law, consumers who knowingly hire unlicensed construction contractors could face a fine of up to \$5,000.00.

- Chapter 455.228 of the Florida Statutes allows the Florida Department of Business and Professional Regulation (DBPR) to request the Circuit Court to impose a civil penalty of \$500.00 to \$5,000.00 on individuals who aid and abet unlicensed contractors. They may also be liable for court costs.

How to Register:

1. Visit scgov.net
2. Click the Code Red registration link at the bottom of the page under Emergency Services

- **Appliances:** Residents may call Waste Management at 493-4100 to schedule a pick-up for an appliance or an electronic item. Refrigerator and freezer doors must be removed before placing at curb. Request for pick-ups must be made 48 hours prior to your regular collection day. This service is included at no additional cost (item limits may apply).

- Under no circumstances shall a person improperly tether any animal. It is unlawful to tether an animal outdoors, except when all 10 conditions (listed in Sarasota County Code of Ordinances, Section 14-35) are met. The most important condition is, "The Animal is in visual range of the Owner, and the Owner is located outside with the Animal."
- Animal Services personnel have advised complaints of any of the above Sarasota County Code infractions must be made by the person who observes the infraction. Complaints are assigned to an Animal Control Officer who investigates the occurrence.

Dogs and Cats

Sarasota County Ordinance Chapter 14 contains the regulations concerning pets and other animals. These regulations contribute to the well-being of the pets in our community and, therefore, to the well-being of us all.

- Each year you must obtain a license certificate and tag for your dog or cat. In order to receive the license, your pet must be vaccinated against rabies by a licensed veterinarian. The official county license may be attached to a collar or harness but must be worn by the dog or cat at all times.
- Your dog or cat may not run at large on any public property or the property of another and must be under the direct control of a responsible person. Direct control always means immediate and continuous physical control of an animal (dog or cat) by means of a fence, leash, cord or chain of sufficient strength to restrain the animal.
- An animal not under direct control shall be considered an unlicensed animal and public nuisance and may be seized, impounded and disposed of as provided by this Chapter for any unlicensed animal. Examples of a public nuisance are an animal that:
 - Is repeatedly loose in the area

Recycling

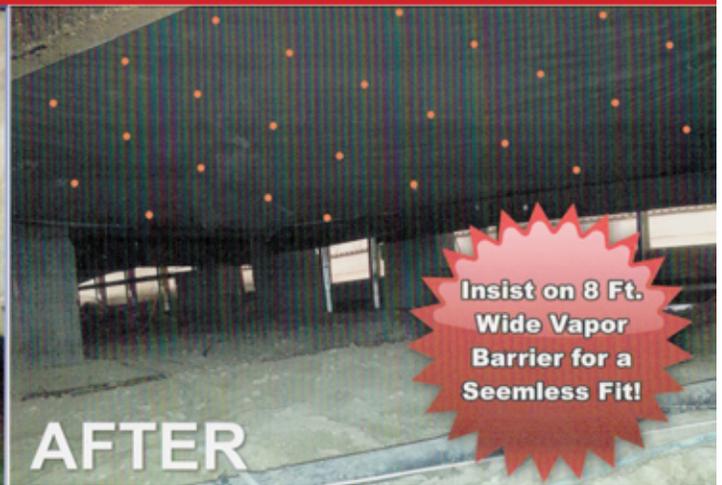

We are all aware of the need to cut down on our trash and the impact it has on our environment. Some activities you can undertake to reduce the impact of the waste you produce:

- **Waste Prevention:** Avoid buying more than you need. Print only documents and emails that must be legally stored in paper form.
- **Waste Reduction:** Avoid products with excessive packaging. Buy loose vegetables instead off pre-packed goods.
- **Reuse:** Repurpose plastic bags. Find creative ways to transform used containers into home storage bins.
- **Recycle:** We are all recycling in our homes, but sometimes find we are attending or running meetings or social events where the building does not have recycling facilities. (Such as our Tri-Par Clubhouse) Club leaders can arrange to have cardboard items, pop cans and steel cans taken home so that these articles can be recycled.

Tri-Par Policies and Procedures

Owners/Renters with Fruit Trees.

Please pick up all fruit on the ground to prevent "fruit rats" around your home. When you are not residing in your home, please make arrangements with your renter, a neighbor or lawn care person to pick up the fallen fruit.

Background Check for New Owners, Renters, or Caregivers and Guests Who Stay More Than 30 Days

Background checks are required for all first-time buyers, renters or caregivers in Tri-Par Estates. A background check is also required for first-time guests staying more than 30 days. Renters, caregivers and guests who have left the Park for 12 months or more must reapply for a background check. A per person application form and per person \$50.00 fee must be submitted to the Tri-Par Office a minimum of 30 days prior to the desired occupancy date for processing and the Board's action. The new application form is available at the Office.

Board Approval Is Required Before Moving into Tri-Par

If a renter, buyer, or caregiver moves in without the Board's prior approval, the first action will be to start the process to assess a fine against the owner in accordance with Section 22 of our deed restrictions. Secondly, unapproved renters or owners will be required to vacate the property and leave the park. If they refuse and it becomes necessary for legal action to remove the unapproved occupant(s), the Board of Trustees shall be entitled to recover all costs, including, but not limited to, reasonable attorneys' fees (Section 21 of Deed Restrictions) from the property owner.

Use of Tri-Par Common Facilities

All visitors under 18 years of age must be accompanied by a parent or adult when using Tri-Par Facilities. No one under 18 is permitted in the Spa or in the Exercise Room. Most of us noticed more guests this year than ever before. It is important that we ensure that our guests are made aware of the rules of the Park.

Pool/Spa/Deck/Patio and Recreational Area Rules

It is your responsibility to inform your guests about the pool rules and see that they are obeyed. We expect everyone to take part in enforcing the rules and police their own guests. Here are outlined the more important requirements:

- Guests using the pool must be accompanied by the resident. If the resident is not available to remain with the guest, a guest fob must be obtained at the Office.
- Granting access to persons who do not have a fob may result in deactivation of your fob.

- No smoking and no glass of any kind in the pool/spa/deck/patio area. Food and drink are permitted in patio area only.
- No diving (including jumping, back flips and splashing) anywhere in the pool.
- No one under age 18 is permitted in the spa.
- Infants under 2 years old, children not fully potty trained, or children wearing non coastguard approved items are not permitted in the pool.
- Children less than 10 years old must have a parent or adult in the water with them.
- Children 10 through 17 years old must have a parent or adult in the pool/patio area.
- Goggles, masks and Coast Guard approved safety equipment firmly attached to the body may be used in the pool.
- Inflated items, toys, balls, and rafts are not permitted in the pool/spa.
- Noodles & aqua belles (by adults only) are allowed in pool but not the spa. This includes items contained in storage chest in the pool area.
- Showers must be taken before entering or re-entering the pool/spa and upon re-entering.
- All persons must vacate the pool/spa at first sign of electrical or heavy rainstorm.
- Safety line must always remain in place in accordance with Sarasota County Code.
- For enforcement to be effective, a report should be made as soon as possible to a member of the Board of Trustees. A list of trustee phone numbers is on the table within the gazebo, the pool area bulletin board, the Office bulletin board and the Recreation Building bulletin board. Phones are available for your use in the pool area and Recreation Building.

Spa Alarm

If you or someone at the spa accidentally pushes the Red Alarm Button, it will trigger the alarm. To disarm the alarm, just push the red alarm button in and turn it clockwise.

Speed Limit in Tri-Par

The speed limit throughout our Park is 20 MPH. We have many walkers, bikers and people on their golf carts every day. For the safety of all our residents, please do your part in observing the speed limit. When you have guests, let them know we would very much appreciate their maintaining the 20 MPH speed limit within the Park.
